

THIN BRICK

Description: Lightweight concrete brick.

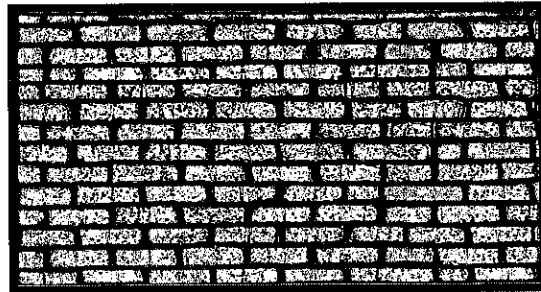

Standard

Colors: Alamitos, Countryside, Dark Grey, Grey, Old Country, Park City Used, Santa Clara, Wahweap, and Willshire. **Other colors in this style are also available. Please see our website for further details.**

Height: 2-3/4"

Length: 7-1/2"

Thickness: 5/8"-1-1/2"

Weight: Approximately 4 Lbs/ Sq Ft.

Installation: Brick color will vary. Selecting and blending brick from different boxes throughout the installation will ensure a normal balance of color and size

Packaging: 15 Square Feet per box. 9 Linear Feet per box. Note: Boxed brick available; Full boxes weigh approximately 60 lbs.

Sealing: Sealing is not required on Rocky Mountain Stone Products. But, if you would like to seal your brick, use only a quality masonry sealer that is of "Penetrating Breathable" type that is either a Silane or Siloxane based product. As with any sealer, the color of the brick may change after an application. Be sure to test the sealer on several different inconspicuous places on the brick, to determine if the color change is acceptable.
